

## NORTHWOOD UNIVERSITY

While enrolled in a sports camp at Northwood University ("Northwood"), my child may engage in sports or other events or contests of an athletic nature that pose a risk of injury to my child. I understand that their participation in the above-mentioned activities may involve risk of severe injury to them; and that no amount of precaution by Northwood can eliminate such risk. Because of this and in consideration of Northwood's willingness to allow them to participate in such activities, I agree as follows:

1. They will participate in athletic events in a careful and prudent manner and will attempt, whenever possible, to minimize the risk of injury to themselves and others.
2. They agree to exercise a reasonable degree of care to protect the safety of themselves and others while participating in campus activities and sports camps.
3. I hereby release Northwood, its agents, officers, employees and trustees from liability for any injury to themselves or their property suffered or arising out of an athletic or other event, including such injury to my person or property resulting from any cause other than the gross negligence or intentional misconduct of Northwood, its agents, officers, employees or trustees. I give this waiver and release intending to legally bind myself and my heirs, representatives, successors and assigns.

# NORTHWOOD COACHES

- Jordan Bischel has compiled five consecutive winning seasons as a college head coach and has a career record of 173-105. He led Northwood to a historic season in 2017 as the program set nearly 40 school records on its way to 46-13 record, #15 national ranking, and #1 seed in the NCAA Midwest Regional Tournament. Because of these achievements, Coach Bischel was named the Midwest Region coach of the year by the NCBWA. Prior to Northwood, Coach Bischel was the head coach at Midland University in Fremont, Nebraska. In 2014, Midland posted a record of 43-19 overall, and won the GPAC Tournament. The 43 victories were both Midland and GPAC records for wins during a season. Coach Bischel has managed the Wisconsin Woodchucks and Green Bay Bullfrogs of the Northwoods League, made up exclusively of college players. During his time, he won 156 games and had over 50 athletes that went on to play at the professional level. Four of those players (Scott Schebler, Mitch Haniger, Jacob May and Phillip Ervin) have moved on to play Major League Baseball.
- Assistant coaches Kyle Schroeder, Nat Richter, and Tony Jandron have over 25 years of combined college coaching experience with all assisting the record-setting 2017 Northwood season. Prior to assisting on Midland University's 43-19 team in 2014, Coach Schroeder coached hitters and catchers at Northwest Missouri State University and Luther College where the team compiled a 120-88 record from 2008-2012. Coach Richter was part of a St. Norbert College coaching staff that set four school records for wins in a season. Prior to joining Northwood, Coach Jandron spent two years at the College of DuPage, who was ranked top 15 nationally in batting average each season.
